## Mobile phones top-up service

Growing number of mobile networks subscribers is using prepaid cards - according to the recent research in 2007 ca. 17 million users used this type of card. The analysis of European market behaviours suggests that mobile phone operators foresee that in the upcoming years the market share of subscription-based telephone services will gradually decrease and give way to prepaid telephone services.

### TOP-UP SERVICE INSTRUCTIONS

Dotpay service offers top-up of pre-paid mobile phones. It can be done via all available payment channels. The top-up takes place in line with the prevailing Top-up Regulations (presented below) and in line with the promotions available at a given time.

In order to top-up a mobile phone, the user enters one of the WWW sites below:

<http://gsm.dotpay.eu>

<http://doladowania.dotpay.eu>

<http://prepaid.dotpay.eu>

<http://topup.dotpay.eu>

Value of available top-ups is presented in the table:

Network	Amount of the top-up
Heyah	PLN 5 – PLN 250
Orange Go, Orange PO	PLN 25, PLN 50, PLN 100, PLN 150
Sami Swoi	PLN 10 – PLN 160
Simplus	PLN 5 – PLN 150
Tak Tak	PLN 5 – PLN 250
Play	PLN 10 – PLN 300

---

**IMPORTANT NOTICE!**

Detailed rules concerning prolongation of the validity of GSM Prepaid account and additional promotional minutes are specified by relevant price-lists and regulations of individual mobile networks operators.
